

The Director

Bill:

Attached, for your approval, are alternate versions of nominating papers for Carl Duckett's Civil Service League Award.

The first version, Tab A, follows a style that commenced with Red White. The nominating paper strikes some of us as highly dramatic, and the personalia paper is rather "folksy." Tab B reflects what we believe to be a more professional type presentation. However, in the last analysis, it is one of those things where "you pay your money and take your choice." We bow to your choice.
